

We are pleased to offer direct billing to these select insurance companies.

## GUIDELINES

1. We are only capable of billing the **primary insurance** company.
2. If both spouses have insurance, the insurance plan of the **client** is the **primary insurance**.
3. If both spouses have insurance to use for their child, the parent whose birthday falls first in the calendar year is the primary insurance.
4. By providing the clinic with the insurance information, you accept responsibility for payment of any balance not covered by the insurance plan.
